

OUTBOUND HOUNDS

Dog WALKING / SITTING SERVICES

CHERYL & BUDDY

Outbound Hounds Pet Care Owner/Operator; Cheryl Meyer, says goodbye to Oceanside and her 4-legged buddies. Relocating to Victoria, due to her husband's business, Meyer sold 'Outbound Hounds' to her assistant, Martha Giannakopoulos, Jan. 1, 2006. Meyer wishes to extend her sincere gratitude and appreciation to her clients and the 'doggie' community across Oceanside, who "Supported us so strongly. Thank you so much for making the first year of **Outbound Hounds** the success that it was. We enjoyed caring for your pets thoroughly. A true labour of love". New proprietor Giannakopoulos carries on the tradition with the same professionalism and zest that has become the hallmark of **Outbound Hounds**. Look for expanded services throughout the Mid-Island region. Contact Martha for further info on pet sitting/walking by phoning 954-BEST(2378) or checking out the website
